This list of selected Colorado government resources was prepared by the staff of the Colorado State Publications Library (CoSPL). Contact us at spl@cde.state.co.us

Wildlife abounds in the state and provides opportunities for various outdoor activities. Information about wildlife, wildlife protection, and the impacts on wildlife is available from several state agencies, but primarily from the Colorado Division of Parks and Wildlife. The following are selected Internet sites and print publications on this topic. The print publications can be borrowed from the Colorado State Publications Library as described in the last paragraph.

Selected Internet Sites:

Accessibility Information For Individuals With Disabilities - Links to pages with a wealth of information on opportunities for individuals with disabilities to participate in and enjoy Colorado's wildlife-related activities.
